### CHS Memberships

Membership dues are a major source of revenue. They provide support for the operation of the museum, preservation and display of artifacts, and help defray the cost of our newsletter. Current members should check the date on your mailing label for the month and year through which you are paid. "L" means Life Member, "S" means Sustaining Member, "H" means Honorary and "C" means Charter member.

If you have a question about membership, call Janet Easton at (925) 672-1865
